Floating Docks

Designer Series

Handcrafted in Muskoka using premium Canadian materials, our Designer Series Floating Docks are built for durability and performance. Featuring our exclusive Heavy Wall Box Floats, standard docks float 12-14" off the water, with taller options available for easier access to pontoon boats. Choose this style for deep water and fluctuating water levels.

Designer Series Floating Docks Include:

- ✓ Frame, Floats & Decking
- ✓ Chain Retainers at Corners
- ✓ All Ramps Include Float At Dock Side
- ✓ 10 Year Welded Frame Warranty
- ✓ 15 Year Float Warranty

DID YOU KNOW?

Box floats are the best choice for flotation when big waves are less common.

Box floats offer maximum stability for walking & sitting due to the large surface area in contact with the water but for the same reason they also lift more easily when big waves occur.

Are big waves your normal? Check out our Titan Series Floating Dock with pontoon floats

12-14" Freeboard
1" Heavy Wall
Safely Leave In Ice

Delivery & Installation is available through a professional 3rd party installation crew.

Delivery is \$300/HR one way. Installation is generally 10% - 13% and may change based on specific requirements.

All prices subject to change without notice. All measurements are approximate

Floating Docks
